## Toes & Twats

Dear Virgin Territory,

Thank you for featuring Ivy. One, she is flat, and that's exactly the type of girl I want to see in *18eighteen*. Two, she's sucking her toes. I have a bit of a foot fetish so that was a big turn-on for me. I also love all the close-up pussy shots. This is why *18eighteen* is the number one teen sex magazine. You guys aren't afraid to push the envelope with graphic photos of teen twats and fucking. It would be awesome if you could shoot Ivy giving a guy a footjob before she fucks him. Thanks again for yet another cute teen.—N.T., Indianapolis, Indiana

Dear N.T.,

We don't have Ivy giving a foot job, but she does have a hot XXX layout slated to run soon.

## Solo Only, Please

Dear Virgin Territory,

I buy your magazine in the UK for the attractive/beautifully-posed young girls you normally portray.

However, I find you increase the number of photos with male poses every few issues. To me, (envy on my part ?) I find such photos a big turn off. I was especially disappointed with your June '17 issue and sadly regard the magazine a waste of money. While this policy persists, sadly I will not be buying your mag in the near future.—J.M., United Kingdom

Dear J.M.,

We're sorry to hear that you were disappointed with the June '17 issue. Moving forward we are including more solo girls in the UK issues.

## #1 Squirter

Dear Virgin Territory,

Sally is the number one girl to ever be featured in *18eighteen*, and her pictorial in the June '17 issue was proof of that. That fat cock stretching out her little pussy was one of the hottest things I've ever seen. I went online to watch the video and wow! I came so hard to her scene. I loved seeing her spray all over the place like a sprinkler. You were right; she really does soak everything! I've never been with a squirter before, but I would love to. Especially if she's as cute as Sally! It doesn't get any better than those braces, little tits, squirting pussy and her petite body. Is Sally in any movies? I can't get enough of this little teen!—Z.D., via email

Dear Z.D.,

You can see Sally in the movies *Tight & Stretched 2* (available on page 99) and *Naughty Neighbors 6* (available on [ebootstore.com](http://ebootstore.com)).

## Tits, Not Tats

Dear Virgin Territory,

Madison is a cute girl, but her tattoo is a bit of a turn-off. She had me

with the blonde hair, sweet brown eyes and bright smile, but the tattoo on her arm takes away from her beauty. Fortunately the rest of her is lovely, and you did a good job of not showing the tattoo much. I see more and more girls with tattoos now, but I miss the days when it was more of an exception than the rule. I guess if a girl is cute and has tattoos, please just try to shoot them in a way that doesn't show them off obviously. Despite this, I am still looking forward to Madison's hardcore layout. She did shoot a hardcore layout, right? I must also comment on her pussy, which was a pleasantly unexpected shade of purple. I expected a pinker pussy because of her light-pink nipples. Usually a girl's labia matches her nipples. Now we just need a photo of Madison spreading those purple lips to show us the pink inside.—B.G., Norfolk, Virginia

Dear B.G.,

Yes, Madison did shoot hardcore. You will see it in an upcoming issue. In the

The more  
stretched  
Sally's  
pussy is,  
the more  
she squirts.

**Madison's nipples may be pink, but her pussy is pleasantly purple.**

meantime, enjoy the bonus photo of her.

## Carolina's XXX Debut

Dear Virgin Territory,

I can't wait to see Carolina fuck. She is the reason I have been checking the newsstand every day for your new issue. Please, please, please show her fucking soon. She is my dreamgirl. She's so yummy from her head to her toes. Please show her doing all kinds of filthy things with a big, fat cock. I want to see her sitting on top of a giant pole with her pussy completely filled up with man-meat

**Want more of Carolina? Don't worry; her XXX will run soon.**

and her face moaning with pleasure. I can't decide if I would like to see her face completely covered in cum or her pussy oozing out a nice sloppy creampie. Maybe you should just do both! I also think she is worthy of being

the main covergirl in one of your upcoming issues. I hope you consider it. She is just so sexy!—L.L., Chandler, Arizona

Dear L.L.,

Carolina has a hot XXX pictorial coming up soon. In the meantime, you can check out her hardcore scene in Tight & Stretched 2, available on page 99.

## Haley's Piledriver Inspiration

Dear Virgin Territory,

Haley is hot. I like her pretty face and her perky tits. She is the one from the Feb. '17 and June '17 issues since I know there have been a lot of girls named Haley. I don't like it when the girls have dildos too much, but I liked seeing her with the glass dildo in Feb. '17. And it was even better seeing her with that giant cock in the June '17 issue. I bet that stud was in heaven when he was 69ing with Haley, tasting her sweet pussy and being able to look up at her pretty asshole, all while she's sucking his cock. You got Haley in a bunch of great poses in this pictorial. It's always fun to see the girls being held up in the air and fucked by a giant cock like how she is on page 59. I also like the cowgirl photo on that page too. On page 60, Haley takes it in the piledriver position like a pro. I have never actually tried that position, but thanks to your magazine I will try it the next time I get laid (which is sadly not often enough). Pages 60 and 61 combined made me blow a big load. Seeing Haley on page 60 with that cock buried deep in her twat, stretching her out to the max, was so hot. And the full-page facial shot on 61 sealed the deal. You should do full-page pop shots as often as possible, and especially when the girl is as pretty as Haley is. Great job,

## Best In Class

Dear *Virgin Territory*,

I know your *Back to School* issue is coming up, so hopefully this letter reaches you in time. And maybe if I'm lucky, you'll include my letter in that issue. I just wanted to let you know that no one does schoolgirls better than you. I can always count on your mag for a never-ending supply of cute students in their classic schoolgirl uniforms, flashing their panties and their pink pussies. It takes me back to my days in high school and college. I still drool over these sexy coeds as much as I did that back then. Your *Back to School* issue is always the best one, and I look forward to it every year. Last year's was amazing. Sally and Karly were two flat babes with braces. Raven looked so sexy with her big tits bursting out of her button-down shirt. And Tiffany doing anal was the cherry on top! I can't wait to see this year's issue.—M. Z., Tempe, Arizona

Dear M.Z.,

Congrats, you did make it into the *Back to School* issue! And just so you know, we are putting out a special issue that's right up your alley. It's *Naughty Neighbors* presents *Schoolgirls*, and it's packed with all the tight, cute students you can handle. Look for it on newsstands Aug. 29, 2017.

## Flappy Fillies

Dear *Virgin Territory*,

Could you do a special on big, flappy pussy lips? I love to see a teen girl with some real meat curtains. They are the best to suck on and play with. Lots of guys like innie pussies, but they must not know that girls with big pussy lips have the tightest pussyholes. Please show girls spreading their pussy lips wide open, showing us their full wing span and the tiny hole that's hiding inside. Show the girls standing up with their twat drapes hanging an inch or two outside of their body. Some of my favorite big-flapped girls are Ariana, Redly, Alex Tiffany and Alice March and Aurora Monroe. Please make sure to include them if you do the special.—K.H., via email

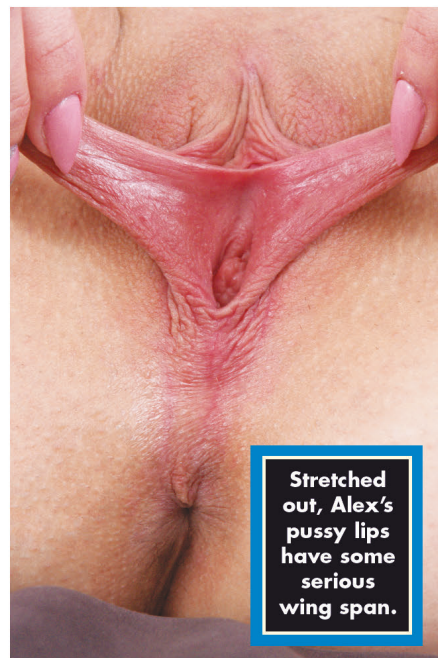

Dear K.H.,

We love the idea of a big pussy lips special. We'll keep it in mind, and in the meantime, here's a picture of Alex's huge flaps.

## Pure Gold

Dear *Virgin Territory*,

Do you have any more sets of Aubrey Gold? I saw her in your April '16 and Oct. '15 issues. She is so pretty, just like a movie star. I hope she's having all the fun she missed out on when she was in high school, and hopefully you caught some of that fun on-camera. I enjoyed seeing her suck and fuck that cock in her cheerleader uniform, and I would like to see more. I was not the most popular guy in high school, and no cheerleader or popular girl ever

Stretched out, Alex's pussy lips have some serious wing span.

showed interest in me, so it was fun to see Aubrey going for the nerdy guy. Please bring her back for more hardcore and solo shoots and also do a video interview with her. I would love to know what she's been up to.—A.D., Knoxville, Tennessee

## Teen Watcher

Dear Virgin Territory,

I'm a regular reader of *Naughty Neighbors* and have started buying *18eighTeen* lately. I see that you have a lot of crossover girls, which I appreciate. I like seeing different sets of your freshest, cutest models, as the younger girls tend to be my favorite. I'm writing in to make a suggestion that you include more voyeuristic type shoots in *18eighTeen*. For those of us who like to watch, our first experience of voyeurism usually happens in school or as we are coming of age—trying to find a way to peek on the girls in the locker room, wanting to look up our classmates' skirts, peer-

ing at our friend's older sister through a cracked door. I think it might resonate with your readers and would fit in well with the teen niche. After all, who doesn't like knowing what pretty, young girls do in private? Up-skirt shots are nice as well. Also, love your peeing videos.—T., Miramar, Florida

Dear T.,

We have featured a few voyeuristic type shoots, like Liza Rowe's solo video on [18eighTeen.com](http://18eighTeen.com) and Jennifer Matthews' layout in the Feb. '16 issue. We'll try to include more in *18eighTeen*. For fun, we've included photos from one of our most-voyeuristic schoolgirl sets ever, which was featured in *Naughty Neighbors* Sept. '05.

18

Would you like to see more voyeuristic style shoots in *18eighTeen*? We love this set of a schoolgirl changing into her slut gear from *Naughty Neighbors*.

Melody is a super flattie who pees in the classroom. What a naughty girl! Kasey can't focus on her studies, so she cums instead. Bambi finds her books a bore, so she drops her bloomers to stroke her clit. She also gives you plenty of views of her nice, plump butt and tight asshole. Raven's boobs are bursting out of her uniform, meanwhile Sally's tiny tits can barely fit an A-cup bra.

## **Charity gives to those in need of teen pussy. She's so generous!**

At 5'11", Charity is a tall bird with sexy, long legs and a thin, lithe body. It comes as no surprise that she was a star on her high school soccer team. She wishes she could play with more balls, but the kind that are attached to hard cocks. "I would love to have more sex! Right now I do it like once a week, which isn't enough. Sex is always on my mind, and my pussy always craves it."

### **Charity has a few special talents.**

"I can touch my tongue to my nose! I've also been told that my tongue feels nice on a guy's thingie. I like to lick it up and down like a popsicle, then swallow it whole. I guess that talent is more useful than touching my tongue to my nose."

## What's the kinkiest thing you've done?

"One time I was in a car with a bunch of girlfriends, and we were all getting pretty hyped up and rowdy. I don't remember how it started, but we all started making out with each other. We were all taking turns kissing each other. And then it turned into all of us in a five-way kiss! It was like an orgy of making out. Tongues and lips everywhere! It was pretty sloppy, but it was so hot! I mean, I'm still totally into guys, but girls are such good kissers that it's nice to play with them."

## Have you ever had sex in public?

"Yes, lots of times. [Laughs] I got caught every time! We'd never have anywhere to do it, so we'd have sex in ditches or briars. I go for older guys now. They have their own places, and we don't have to do it in the dirt!"

*Erica's classes had just begun, but already, her European History professor was giving her fits. Truth be told, he seemed to get off on making her life miserable. When they butted heads this time, though, she was out to prove something. No matter what he thought of her chances to pass his class, Erica could definitely be a...*

# STRAIGHT LAY STUDENT

By Joe Monks

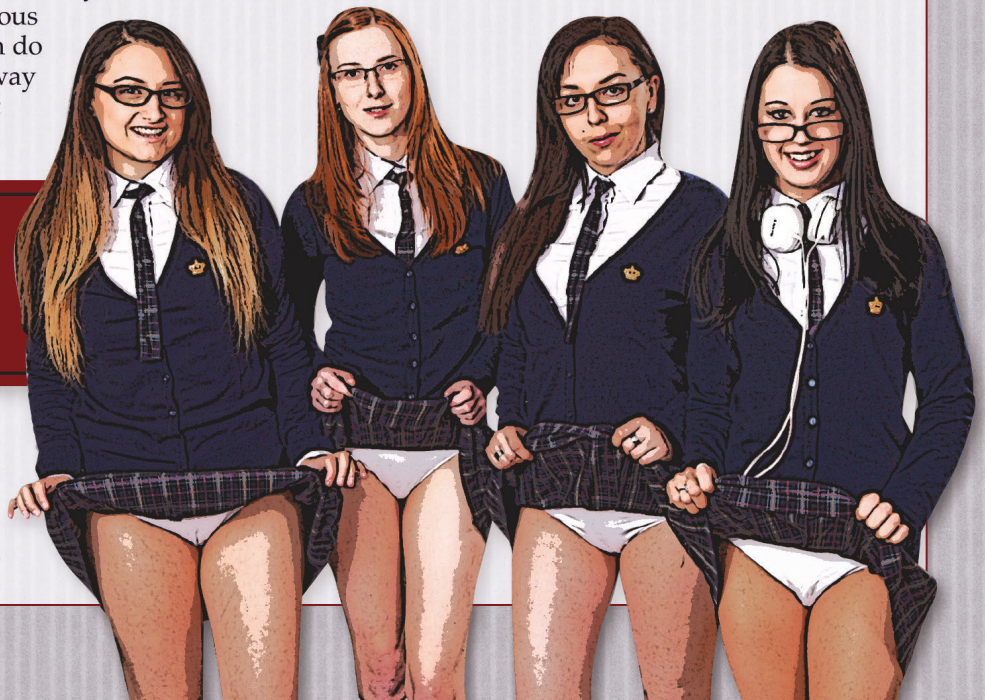

*Notmenotmenotmenotmenotme.* Erica kept her head down, silently repeating her mantra. Most times, it worked. Today, though? Today wasn't most times. Mr. Murphy lifted her chin with his pointer. Erica wondered if he ever thought about using that pointer on girls in other ways. Like maybe to push down a shirt that was unbuttoned one button too many. Or tease a nip that was begging to be noticed, the way it was poking through one of their ridiculous uniform tops. She'd never seen him do anything, of course. But still...the way other students talked? She couldn't help but wonder.

*Erica wondered if he ever thought about using that pointer on girls in other ways.*

"No sense trying to hide, Erica," he said, bringing her head up so that she was looking at him. *Damnit!* She hated when he did this. Not because it was embarrass-

ing—even though it was. No, she hated it because she could practically feel the front of her panties goooing up. Mr. Murphy might be a pain in the ass, but he wasn't tough to look at. Even now, she could feel herself turning red. Well, red-der, if such a thing were possible. Even her freckles were burning.

"Why don't you come up to the map and show us where the

Republic of Albania is, and give us a little rundown on why it's important to its neighbors? That's not too hard, is it?"

She seethed, walking to the front of the room. Too hard? Pffffff. The question wasn't the only thing that was hard. She could tell how much he was enjoying this by the size of the bulge in his pants. Word around campus was that Murphy got a kick out of torturing his students. The more he could make them squirm? The more turned on he got. Erica guessed from the tent he was pitching that she must look more miserable than usual. Because, this wasn't a rare occurrence. Sure, it was a small class. Only eight students when everyone was there, and today a couple of her classmates were absent. She wished she was one of them. Stacey—who didn't get picked half as often as Erica did—was gawking, as usual. Will was watching, too. Well, not watching, really. Staring was more like it. She didn't mind it, though. He was quiet, but seemed nice. A little shy, maybe, but undeniably cute. Plus, who was she kidding? When he got called up to the board, she paid plenty of attention. Watching him on the hot seat had gotten her a different kind of squirmy more than a few times. The semester had just started, but already she'd given serious consideration to slipping into the bathroom after class and showing up late to Communications 101. Fuck, maybe cutting class altogether. Once she got a couple of fingers inside her? She could really get going...

But that wasn't what she *really* wanted to do. The last week or two, she'd been thinking about ditching her undies before class, taking her seat and waiting for the chance to catch Will at the board, looking her way. Then BOOM! Giving him a little pink-a-boo. See how he reacted to *that*.

Would it be risky? Oh, fuck yeah. She'd have to keep her legs closed and pretend to be paying attention so she didn't draw Murphy's scrutiny. The last thing she wanted was to have to get out of her chair and go to the map with her pussy squelching. Which it felt like it was doing now, despite her bloomers.

Where had Murphy been talking about? The little pink wedge on the map, she thought, taking the pointer. It was warm where his hand had been. Not just warm, though. It felt kind of...damp. Nothing like her current panty situation, but noticeable. Like his palms had gotten sweaty waiting for her to walk up to the board. Was that possible? She was far from the hottest

girl in class, but still. Stacey, with her sexy, dye-tipped hair? Or Jill, with her big boobs. Even though Jill was out sick today, Erica got called on a lot more than they did. And, Murph's hard-on? It sure as hell hadn't gotten any smaller.

Well, she couldn't pay attention to his dick any more. Not without him noticing. She tried to focus, but it wasn't easy, knowing that everyone was watching. Murphy's eyes felt like Superman's X-Ray vision, looking through her skirt and checking out her bare ass.

"Something wrong, Erica?"

She glanced over, pursing her lips. He was standing there, big grin on his face, hands in his pockets. It was almost like he was trying to get her to stare at his crotch. Which she did, before quickly looking away. Her mouth felt dry as the desert. No doubt, all the moisture in her body had gone to her pussy. At present, it felt flooded enough to win a wet panties contest. *Not good*, she thought.

"Erica? We're waiting. I assume you're going to say something that'll impress us?"

That did it. Murphy's taunt was the last straw. She didn't hand the pointer back. She dropped it, firing her parting shot as she walked away from the board.

"Sorry, but I don't give a shit where Albania is. As for why it's important to its neighbors? I hear it has great porn. Albanian girls like it when guys cum on their face."

The class went still. Pin-drop silent. Murphy looked flabbergasted. Stacey's eyes were so wide Erica thought they might pop out of her head. Will shifted around in his seat, trying—unsuccessfully—not to look at her.

"Erica!"

Murphy had regained his composure. He looked angry. Angry, or something else, maybe. Her face wasn't the only one

that was red now. He stormed around his desk, trying to stare her down. She turned back, waiting. She wondered what he could do to her for the outburst. This was college, after all, not high school. She doubted getting sent to the office was an option. But maybe dropping her from the class? She tried not to show it, but suddenly, her nerves were jangly.

"What on earth do you think you're doing, Miss? If you don't know the answer, that's one thing, but how do you expect to pass with that kind of attitude?"

Good god, but the bulge in his pants looked twice as big. He was so fucking hard that the flap that cov-

*The last week or two, she'd been thinking about ditching her undies before class, taking her seat and waiting for the chance to catch Will at the board, looking her way.*

ered his zipper was pulled back, exposing the metal teeth. And his breathing. He was breathing hard. Really hard. And that's when she knew. He wasn't angry, not at all. Just the opposite. He was also still waiting for an answer. *Hmmmm.*

"Well?" he demanded.

"I thought I'd just fuck you for it."

Stacey dropped her glasses. Murphy's pointer? It would've had plenty to work with the way Brianna's nips were. Sweater or no sweater, they were popping.

*Erica was soaking wet down there and her puffy lips were slick and glossy.*

Murphy stared, dumbfounded. He looked like he'd shown up to class and found the room full of aliens.

"What? Like you weren't already thinking about it." Erica challenged, putting her own hands on her hips. It pulled her top taut across her small breasts, emphasizing her stiff buds.

"I, uh, no," Murphy stammered, but Erica had him now, and she knew it. She jammed her thumb into the waistband of her panties and in one quick motion brought them down, taking them off and hurling them at him. They struck him square in the face.

"What's more important, professor?" she asked, leaning back and lifting up her skirt. The sweet scent of her dewy snatch was impossible not to notice. Erica was soaking wet down there and her puffy lips were slick and glossy. She caught Will out of the corner of her eye. He had his hand pressed so hard into his groin she thought he might strain a muscle.

"Where Albania is," she continued, giving her hips a little wiggle. "Or where my sweet spot is?"

Murphy stood there, stunned. He'd caught her undies, which were still pinned against his face. Not taking his eyes off her greasy slit, he took a whiff. Then a deep inhale.

"Well?" she prompted, sitting on the edge of her desk and spreading her legs. She kicked off one shoe. The other she made a show of, using her sock-clad toe to slowly knock it loose. She extended a leg, the pad of her foot coming to rest on his zipper pull. Murphy kept sniffing her bloomers, doing nothing to stop her. She tugged his zipper down with her toes.

"Ohmygod!" Laura gasped, finally coming to grips with what was happening right in front of her. In front of all of them. The five of them watching, Erica showing off her snatch and rubbing their teacher's cock with her foot. Erica couldn't blame her—this certainly wasn't how the school had been described in the orientation book. Murphy undid his pants.

"Professor Murphy!" exclaimed Stacey, gasping as his trousers hit the floor. Murphy was harder than calculus and his prick was huge. Pretty much everyone was out of their seats now, watching the scene unfold.

"What's important to my neighbors," Erica said, putting her hand between her thighs and parting her lips. "Is that you put that thing down here. I've got some territory that really needs exploring."

Murphy pushed up Erica's skirt, ripping off her cardigan and unbuttoning her shirt. His cockhead brushed against her outer folds, making her shiver. Was this really going to happen? Was she actually going to get laid right here in class? This was way more outrageous than any professor-student sex story she'd heard since moving into the dorm. Plus...fucking a teacher? That was one thing. Getting banged in front of her classmates? Kids she barely knew?

Cream leaked out of her, literally dripping onto the desk, that's how hot she was. And, Murphy's prick wasn't even in her yet!

"No way!" Brianna gasped. But she was seeing it with her own two eyes. Seeing it all. As in, all eight inches of Murphy's prick slowly disappearing into Erica's greasy box.

Erica was loathe to admit, even to herself, but she hadn't really thought this out. The better option would've been to fuck Murphy on his desk, not hers. Leaning back the way she was, Murphy pounding her twat, was precarious at best. When Murphy's dick bottomed-out, her desk nearly toppled. Before that happened, though, things steadied. That was when she saw Will's hand on the back of her chair, preventing her from going over. His other hand? She tried to see what it was doing, but couldn't from this angle. She had a pretty good idea, though. And, though he might be shy, he wasn't trying to look away anymore.

*Thwap!*

That brought her back to business. Murphy playfully swatted her butt, getting her attention. She put an ankle on his shoulder, opening her fuckhole just a teensie bit wider. Murphy drove into her deep, filling her canal and slopping twat juice all over the place.

"Ungh!" she grunted, hanging on to the sides of her desk. Murphy hammered her like he hadn't had a piece of ass in forever. Erica had a hard time believing that, but it sure felt that way to her churned up insides.

### **Melody, what kind of student are you?**

"I'm kind of an awkward nerd. I'm in advanced classes, and I take part in speech and debate, swimming, poetry, photography and other things. I'm the cute AP girl who says smart remarks that make the other kids laugh, but when I step out of class I get extremely timid. But I also have a naughty side. I masturbate all the time, sometimes up to five times a day! I'm also very interested in exploring my sexuality and trying new kinky things. I just need to find the right guy to try them with."

### What satisfies you the most sexually?

"A lot of clitoral stimulation during penetration and good foreplay is a must for me to be sexually satisfied. I love any position where I can be as close as possible to my partner. I like to be kissed and held tightly while his cock is deep inside me." He also needs to last for more than 10 minutes. I need a guy who can go the distance. When I lost my virginity it didn't last long. He came in less than a minute because I was so tight. After that I only dated older guys who can hold back."

"It was during the one time I ever had public sex. We were by a river, and I was really into it and found it romantic being outdoors in nature. Everything felt so good, and then all a sudden I was squirting all over the place. I didn't know I could do that, so it was a pleasant surprise."

"But once he was in there it felt so good. I can't wait to go to college and get fucked in the ass some more!" To prepare for her first anal encounter, Kira put buttplugs and dildos in her ass before taking on a cock. It looks like it worked as she takes this fat prick with ease. ## If you ask us, bad girls are way more fun!

Teens these days, with their cellphones and their texting and their apps. They need a lesson from the old school, especially Kasey, who is 18 and full of sass. She eggs on her teacher to show her how kids were kept in line in his day. He obliges her, spanking her cotton-pantied bottom. But that's not enough to get the naughty out of a girl like her. They both know he shouldn't even bother. That's because Kasey is better as a bad girl.

## Kasey rebels by sucking and fucking cock.

Be a good girl? Kasey would rather slide her pussy up and down her teacher's shaft. She'd rather bend over and get pounded from behind. And just like a good little bad girl, she'd rather get her face completely covered in cum. Want to see just how Mr. Dicks handles this unruly teen? ### **Lily doesn't know algebra, but she knows how to suck a dick!**

Lily's getting tutored because she's not good at math. But who cares? She's good at other stuff. More important stuff, like giving wet, sloppy blow jobs where she swallows cock to the back of her throat. She can even suck a cock while being held upside down! She may not have a future in academics, but she's a star when it comes to fucking. She should just stick to what she's good at.

**Lily, are you  
passing your  
classes?**

"Barely. My tutor helps, but we mostly just end up fucking. I'd fuck my teachers for a passing grade if I could. I always wondered if Mr. Johnson lives up to his name."

## Lily gets her brains fucked out.

This scene from *The School of Hard Cocks 2* (get it on page 99) is a ball-dranier.

Once her uniform comes off, we see that Lily is the perfect little teen fuck-doll. Her tits are just the right size to hold on to as you pound her pussy, and her pocket-sized twat will squeeze your dick just right. You can tell by the way she takes the cock that she genuinely likes to get fucked. She moans. She exudes sex. She welcomes every thrust into her cunny. Who needs a mathematician when you have a sex kitten like Lily? "To be honest," Lily said, "I'd rather be sex smart than book smart! Hell, I'm a genius when it comes to dicks and cum!"

Continued from page 30

Laura shifted, trying to get a better look at the action. She wasn't the only one. Stacey was standing just behind her, the perfect spot from which to see Murphy's prick thrusting into Erica's oozing snatch.

"I c-can see you!" Erica said, Murphy's balls slapping her ass. "Go on-get a look."

Laura glanced back. Erica had caught Stacey with her hand down her skirt. It was clear she wasn't checking to see if she'd put her bloomers on right.

"This the only position you know?" Erica asked, teasing.

Murphy slowed just enough for Erica to put a toe into his mouth. He nibbled, grinning at her.

"I'm open to suggestions," he said. Before Erica could answer, though, he turned the tables on her. "Class?"

"Doggie-style!" Laura called out, her voice shaky. "From behind!"

Stacey rested her chin on Laura's shoulder, fingerfucking herself noisily. Murphy waited to see if Laura's suggestion was approved.

"Pull back a little," Erica huffed, her breath coming in ragged gasps. "There...just a little...more..."

Murphy did. The tip of his cock was nestled snug in her tight hole, slit sauce dripping off his nuts.

"Okay?" he checked, eager to jam his shaft back into her. But she was shaking now. Right on the edge.

"Watch, this!" she squealed, pulling herself open around his oozing tip. She came, squirting, a gush of nectar landing in his short hairs.

"Ohmygod!" Stacey cried. "I've never seen that before!"

By the looks of it, Laura hadn't either. Erica didn't know what Will thought of it, she couldn't see his face. Craig gaped. Erica could tell her climax had rocked his world. Craig? He looked like he might be the type to jizz himself given the right situation. Erica was pretty sure that situation had just materialized.

She let the pleasure roll through her. Murphy's pole twitched. His balls looked swollen.

"Okay," she announced triumphantly, one cum already in the can. "Let's do this!"

She ran the sole of her foot down Murphy's chest, nudging his balls with her toe knuckles. Murphy sucked in air, as turned on by that as he had been stuffing her slit. Erica suspected he might have a little foot thing going. He certainly was a stickler about the knee socks.

Ignoring his fetishes for the moment, Erica rolled over, ass up, feet spread. She lay across her desk, sticky syrup hot on her belly. She peered over her shoulder.

"Is this all right?" she asked. "I'm just a teenager, I don't, you know, really know a lot of positions."

He grabbed her ass like the first guy she'd ever fooled around with. She and Pete had been locked in a closet together during a game of spin the bottle. He'd gotten so turned on just putting his hand down her pants that he'd jizzed himself. Erica remembered the warm, wet spot spreading against her thigh while they made out. God, how hot that had been.

Murphy was excited, too, but he was far from the kind of guy who was going to shoot thirty seconds after getting his tongue into her mouth and a hand in her jeans.

*He'd gotten so turned on just putting his hand down her pants that he'd jizzed himself.*

"Hot damn!" he said, plunging back into her. "I didn't expect that."

"Oh, but you had been thinking about bending me over my desk?"

she shot back. "I knew it. I knew you wanted to fill me full of cock."

Murphy's thumb ran up her ass crack. For a moment, the jangly nerve feeling returned. Holy crap—what if he wanted to ass-fuck her? She'd been exaggerating about her knowledge of sex positions a minute ago, but even so, she didn't have a whole lot of experience. No guy had ever gone back-door on her, never. And while the idea of Murphy doing it turned her knees to jelly, having that much dick up her butt for her first anal? That worried her a little.

Her worries turned out to be just that, though. Murph played with her brown-eye, but didn't do anything crazy. The feeling was awesome. He had her on the cusp of another climax before she even knew it. She bit her bottom lip, resting her cheek on her arm and looked right into Will's eyes. She saw how much he wanted her.

"Aaaahh!" she shrieked, the cum so intense it brought tears to her eyes.

Cum gurgled out of her, her spew trickling down Murphy's thighs. Ten seconds...twenty...thirty seconds later, and she went off again, her

**Catarina, what's a girl like you doing showing off her tits and pussy?**

"I've always been kind of nerdy and shy and embarrassed of my body. I'd get teased for being skinny and flat. But now I'm feeling more confident and sexual, and I want to show off! If I kept them on, either everyone would smell my pussy juice or it'd start to drip down my leg. It's not easy being horny all the time!"

### **Tell us a little about yourself, Harley.**

"Well I love to read and study, but when I don't have my face in a book I like to have fun, like going hiking and having adventures. I'm a good singer, and I can lay on my stomach and touch my forehead with my toes. That makes for a pretty fun sex position! I'm bisexual, and I have to masturbate at least once or twice a day. Did I miss anything?"

### What kind of kinky things do you like?

"I just love anal. In fact, I'm obsessed with it. My kinkiest sexual encounter was squirting while getting fucked in the ass. I'm also into bondage and would love it if a guy tied me up and did naughty things to my nipples and pussy. I fantasize about the guy from *50 Shades of Grey* fucking me all night in his red room, which is basically a pleasure dungeon. I'm very sexually passive so I like a guy who knows exactly what he wants and goes for it. And of course, I love to swallow cum like a real woman!"

### **What do you like to do after school, Lucie?**

"I have a ritual that I do every day before homework. I go in my room, lock the door, get naked and finger my pussy till I cum. Sometimes I think about the boys in my class and what it would be like to suck their cocks and fuck them. But my favorite fantasies are about my hot teachers, both men and women!"

**What fantasies do you have about your teachers?**

"My English teacher is this really hot woman with big tits who always wears pencil skirts. Her husband is the algebra teacher, and he's a total silver fox. It would be super hot to eat my English teacher's pussy while my algebra teacher pounds me from behind with his big cock. Maybe one day it could be more than a fantasy. For now I'll just keep drooling over them and try not to touch my horny pussy in their classes."

## STRAIGHT LAY STUDENT

Continued from page 64

moan filling the room.

Murphy's fingers dug into her hips. Erica got the hint. She let him get a few more strokes in, then climbed off his prick, dropping to her knees. Their juices spilled into her mouth while she sucked him off, jacking his rod with both hands.

"You're gonna cum any second, aren't you?" she managed between gag-inducing deep throats. "Gonna cum for me, right? Like you've wanted to all semester?"

"Yes!" he groaned, pumping her mouth full of dick. Drool ran down Erica's chin. She could taste her pussy on his shaft.

"Erica," he said, his voice strained. She could tell he was about to erupt. "W-where do you want me to shoot?"

It was a good question. Erica's shirt was open, but if he blew his wad on her tits? That could be tough to hide. He could cum in her mouth, she thought. She hadn't given many blow jobs, but swallowing a guy's load? Really turned her on. Then, thinking about her classmates watching, she got another idea.

"Why don't you jizz on my face? Like one of those slutty foreign girls in pornos. I hear American guys like doing that, too."

She grabbed Murphy's nuts, giving them a squeeze. He unloaded all over her, spurt after spurt after spurt. Stacey whimpered, holding onto Laura, hips bucking. Laura didn't seem to mind at all. In fact, if Erica had to guess...

Murphy jacked the last of his spooze onto her lips, beating his meat until the torrent of jism subsided. With nothing else handy, and the class almost over, Erica used her undies to wipe her eyes, looking down at herself. Good god, she was a disaster!

"Can I get a hall pass?" she asked coyly. "I need to use the bathroom."

"If anyone stops you, tell them to come see me," he said, dismissing her. "Just...tell them to give me a couple of minutes."

.....

Erica looked...presentable. It was the best she could manage with the time she had. Her face was still

flushed, but her nipples had finally relaxed enough for her uniform not to be sending signals straight into her cunny with every breath. She was sweating under the cardigan big time, but that was better than allowing the jizz stains on her top to show. Now, she was heading to Communications 101 sans undies. She couldn't even rinse them out enough to stuff in her purse, much less risk putting them back on. They'd gone into the trash. Water and paper towels had done the rest, at least to the point she felt she could make it through two more classes. That was her hope, anyway.

She stepped into the hallway, startled to find Will there. Almost...like he was waiting for her.

"Hey," he said, still a little fidgety. Erica took a quick look. Still hard, too. Damn, but that kind of staying power was fucking impressive. This time, she looked away. Getting turned on right before class wasn't a good idea.

"What's up?" she asked, trying to be nonchalant.

"You're in Barron Hall, right?"

She nodded. Wow...he knew what building she dormed in?

"I'm in Keating, right next door."

"Okay...so?"

"I thought you might want to grab a quick shower. Y'know, instead of having to walk all the way across campus. I could give you my key if you want."

Erica wanted to hug him. She desperately needed a shower, and the idea of walking all the way back to her dorm after waiting another hour made her feel raunchy.

"You'd let me use your room?" she asked, flattered by the offer.

"Sure. And, uh, I don't have to be there or anything. I can wait for you outside if you want."

Erica felt herself getting all mushy. Communications class was forgotten.

"Am I," she asked, letting him see her eyes drop to his crotch. "The only one who needs a shower?"

"Uhhhhhh...no," he admitted, having a hard time meeting her eyes.

"Well, then. Maybe we could...give each other a hand washing up?"

Will led the way. Erica couldn't wait to get him soaped up. The dorm showers were small, even for one person. The two of them? A lot of parts were going to be rubbing up against one another. She hoped there was an awful lot of hot water.
